Betreff: We have to update your documents

Dear Customer ,

We have to update your documents to comply with Law 03/2022 on the prevention of money laundering, it will only take a few minutes.

The Customer Knowledge Form is now up to date:

It is important that you update it within a maximum period of one day. Otherwise, remember that your operations on the web and in the app are limited to inquiries, by phone you can continue operating, but your accounts will not be able to admit new income until they are updated.
